CAPITAL \$500,000 IN 500 SHARES OF

Trustecs. Hon F. Onoucex, Esq. (Mesers. Dent & Co.) A. F. HEARD, Esq. (Mesers, Augustine Heard

THE COMMERCIAL BANK OF INDIA. HIS Company has been formed for the purpose of purchasing a site in the Colony of Hongkong for Dooks and constructing Docks and erecting suitable Premises thereon for carrying on the Business of Building or Packing and Ropairing Steamers and Sailing Vessels, and for the purchase of the Docks now owned and carried on at Whampon by Messra T. Honr & Co. with the. Appurtenances Plant and Good-will of the Dock-

ing Business of that Firm. It is proposed to register, the Company as one of Limited Liability either under the Imperial Act or under any Ordinance which the local Legislature may pass enabling local, Companies to. do so, the property of the Company in the meantime being vested in the Trustees, and the Deed of Settlement of the Company, now in course of preparation, is being framed in accordance with this intention.

The very considerable increase in the number of Vesselv employed in what may be termed local trade, or in voyages that either originate or terminate, at Hongkong, in addition to the great quantity of tornings visiting the Port from all quarters of the World, afford ample acops for the remunerative operations of Book Companies, in addition to those which are already in existence Application has been made to Her Majesty's Government with reference to obtaining a site for the proposed Bocks in the Colony, and the project has been favourably entertained, steps being i progress to facilitate this object, the necessary preliminary investigations as to the suitable character of the proposed site having been conducted

and satisfactorily reported upon, by Mr. S. B. Liberal support has been promised to the undertaking which it is contemplated must necessarily prove a very reminerative one. Further applications for Shares can till further notice be addressed to the Undersigned from whom forms of application and all particulars can

Hongrong, 23 ad Prenulny, 1865. WE trust that the uplacky decisions of the

Race Committee may not revive the old fend between the two large houses. We confess we have strong misgivings on the point and fear especially the zeal of those who desire to ments, should midress the accretary on the subject display their attachment and devotion. Were the matters in dispute left to be arranged bythe partners of the large houses themselves, there would be no fear—but the worst is, that tales are carried to and fro, the worst possible construction placed on imguarded expressions untagonism in commerce made the most of and in fact all those causes put into operation which usually embitter and perpetuate partisanship, and which reader its effects an absolut-

calemity to the general community. Some years ago such a state of things actual the prosecution. Mr. Kingsmill appeard for the ally existed here, and really the partisanship that then appeared was carried on in a very uncompromising manner. We are averse even to reviving the recollection of the state of affairs which we have alluded to. The bickerings, inspector of slaughter houses Laaw him in July last and heart burnings, and petty spite which acted in his uninform the used to come sometimes once. in our heart we ardeally sourned. Let us sincerely hope that this may not

we do not think the same Committee should he re elected. If this opinion be admitted on the other side, all will go well-if not, tale Neither can we help saying that the spirit thought by his words that he wanted a turkey.

of conciliation and the submission to imaginary "hard play" munifested on the part of the East The Hire of the Dock for a period of three days | Point magnates, merits a suitable return, other side, we trust may lead to a reconcilia. is isily satisted, and then they cease to be We fancy that a beautiful and costly article is (Thursday) morning. enhanced in value by being rendered useful. We would suggest the following plan to the Hongkong race committee. Let the most beautiful nattern obtainable be selected for a dinner service, and let all the races be for some article thereunto apportaining. A scup tureun, a salad bowl, a pair of candelebras, a set of dish covers, or side dishes; are all beautiful pieces of plate when made of an approved pattern -much more beautiful to our teste thing these flimsy, usoless, race cups. Instead

of making the Challenge Cup an elaborate group of figures, as proposed, we say make it a set of splendid dish covers. Instead of giving a one hundered guinea plate, make it a The system could be so arranged, by making a bargain with a first rate London jeweller, that the winner of a race might select what articles of the service he might please. Had this mode been established a few years ago, what a magnificent, service of plate would each of the large houses have been possessed

and every piece, by way of provoking hilarity and conversation at the festive board! Now a mass of rubbish is the result, which is useless from its monotony, and which it would The "Labourdonnais" Feli. mail almost be a relief to be rid of, if means were employed which could not be averted. We consign this suggestion to the serious consideration of the Race Committee, and The "Yeddo" leaves for Shanghai, trust they will take the views of the owners of the Challenge cup we utterly condemn. As a work of art it will not compare with the grouns of marble that can be bought at Turin or Florence for one tenth of the money—as a

mass of silver it will be useless, will require B. "Tamar, leaves for a deal of watching and cleaning, and williose its values in the eyes of the owner as its nov-COMMERCIAL POSTSORIPT. Hongkong, 22nd February 1865.

Educational.

ST. SAVIOURS SCHOOLS, Pottinger Street corner of Hellington Street TT is most respectfully intimated to Parents and Guardians, that, the New Schools lately erected in Pottinger Street corner of Wellington Street, in a style suitable to the wants of the climate and managed with a view of meeting the peculiar want of this Commercial Colony, are now in full operation. The system of tuition adopted in these Schools is purely Commercial, Arithmetic, Book-keeping-

pil on the score of religion nor will the religious feelings of any pupil be tampered with. A suite of large Airy Rooms, has been opened in the same Schools for the reception of Boarder Pupils. To Boys leaving home for the first time, the change will be made as easy as our be by the kindness which shall be shown them and by the axolusion of everything materially coarcive. Further particulars may be known by applying to the Principal J. Borgazzi, who carnestly desires that communications be made before any boarder pupil is sent to the Scools.

ST. SAVIOURS SCHOOLS, tf Hongkong, 30th November, 1864. NADAME DE LIAGRE having returned to this Colony, is desirous of resuming her occupation as Teacher of the Piane Forte. Applications suldressed to the Office of this paper will be carefully attended to:
